## We Give No Credit, Discounts or Commissions.

(All Others Do to a Greater or Lesser Extent.)

### Remember Our Policy

Eliminating the direct expense, and enormous losses of the charge system and refusing to tax one class to compensate for the discounts and commissions allowed to another MAKE IT EASY for us to undersell competition. And we do—our prices for Holiday Presents are frequently half what others charge.

### Worth Weighing Well.

For the highly excellent purpose of placing the interesting facts before you—who care to save money—we delegated a competent judge to make unbiased comparisons between the prices of general lines of goods as sold by ourselves and others—others who make great claims and indulge in many boasts that cannot stand the searchlight of intelligent and honest analysis. Some of the results are printed below. Draw your own conclusions.
